Equality Impact Assessment (EIA) Screening Process

The purpose of an EIA is to work out how a policy or legislative proposal will affect people from different minority groups. **For the purposes of this assessment due consideration should be given to all six areas of equality i.e. Race, Gender, Disability, Sexual orientation, Age, Religion or Belief.** If there are any equality issues, refer to the [EIA Flowchart](#) ensuring that there are no likely adverse affects on minority groups. Until the screening process is complete, it is to be assumed that all policies are relevant to the equalities duties. Please complete the following in detail:

Nature of Activity/Report/Policy	Potential Impact (Yes/No)	Explanation If 'yes', please expand.
• Does this impact upon the six strands of Equality legislation? If yes, please state which groups i.e. Race, Gender, Disability, Age, Sexual Orientation, Religion or Belief	No	
• Is there any evidence to suggest that different groups have different needs, experiences, issues and priorities with regards to this activity area or policy?	No	
• Does the activity/policy identify and take account of diverse needs?	No	
• Have any previous activities/policies raised Equality and Diversity considerations for this particular activity/policy?	No	
• Is the activity/policy meant to overcome inequalities or eliminate barriers? For example harassment, bullying, eliminate stereotypes or other types of disadvantage?	No	
• If so, should there be equality objectives?	No	
• Are there measures in place to initiate change to the activity/policy if it is not delivering the objective defined at the outset?	No	
• Is there any evidence that any part of the proposed activity/policy could discriminate unlawfully, directly or indirectly?	No	
• Is the proposed activity/policy likely to affect or promote relations between different groups?	No	
• Is there the potential to enhance equality of opportunity through this activity/policy?	No	
• Have consultations indicated that the particular activity/policy creates problems specific to any groups?	No	
• Does the Service currently collate data specific to this activity for equality monitoring? If no monitoring takes place, speak to the Equality and Diversity Officer.	No	

If you have answered 'Yes' or 'Not Known' to any of these questions, the proposed activity may be relevant to the equality duties. Please seek advice from the Equality and Diversity Manager who will assist you with carrying out a full impact assessment.
