

Member Development 2016

Theme: Ensuring Firefighter and Community Safety

Session	Aims
Young Firefighter Pass Out Parade 7 May 2016 Droitwich Fire Station	Demonstrations by Young Firefighters followed by inspections and presentations by Principle Officers. Times and further details as indicated on separately sent letter.
Members' Induction Session 9 June 2016 SHQ	Informal meeting for any new Members with lead officers to provide: <ul style="list-style-type: none"> • an overview of the work of the Fire Authority • current issues facing the Fire and Rescue Service • key roles and responsibilities of Members (incl. Ethical Framework, Equality & Diversity, Health & Safety) • Code of Conduct
Strategic Projects June 2016 SHQ	Workshop for Members to provide update on 20/20 projects. This will provide an update following the workshop held in November 2015.
Firefighter Safety September 2016 Worcester Fire Station	This session will provide an insight into firefighter training including how equipment, intel and mobile data terminals help keep firefighters safe and how this information feeds into incident command training.
Service Exercise 1 October 2016 Fire Service College	To observe how staff are trained to work safely at a major complex incident involving other first responders. Scenario: large scale motorway RTC
Community Safety 17 November 2016 (following P&R)	To build on the presentation given to Members in December 2015 in respect of how prevention helps to keep the community safe and to raise awareness of how fire safety can help local government improve public health and well-being.
