Recommendation

It is recommended that the Committee adopts the draft Statement of Assurance 2018-19 and approves it for publication.

Introduction and Background

2. The Government's Fire and Rescue National Framework for England 2018 requires Fire and Rescue Authorities to publish an annual Statement of Assurance. The Statement must provide members of the public with assurance on financial, governance and operational matters. It must also show that Authorities have due regard to the expectations set out in their Integrated Risk Management Plans and other requirements in the National Framework.
3. The Statement of Assurance summarises key points and signposts the reader to other relevant publicly available Fire Authority reports; it is not designed to reproduce or cross reference those other reports.
4. This is the Authority's sixth Statement of Assurance. All previous Statements are available on the Service website.

Annual Statement of Assurance 2018-19

5. The Statement of Assurance 2018-19 is a short report designed to give staff, partners and members of the public assurance that the Authority is doing everything it can to keep them safe as well as providing value for money.
6. The Statement covers three areas; governance, finance and frontline response (operational) matters. It provides information about how Authority funds are managed and how its services are carried out properly, efficiently and effectively.

7. The Statement sits alongside existing documents including the Fire Authority Annual Report 2018-19, the Community Risk Management Plan 2014-2020, the Annual Governance Statement and the Statement of Accounts for 2017-18. The Statement also provides links to other assurance documents to help readers assess performance and value for money.
8. This year's Statement will also sit alongside the independent assessment of how well the Service is delivering its services in terms of efficiency and effectiveness and how well it leads and supports its workforce. The assessment by inspectors from Her Majesty's Inspectorate of Constabulary and Fire & Rescue Services (HMICFRS) was carried out during the summer months of 2018 and the outcome will be published in December 2018.

Scrutiny of the draft Statement of Assurance 2018-19

9. Responsibility for scrutinising the content of the Statement of Assurance lies with the Audit and Standards Committee, and Members must satisfy themselves that the Statement provides the appropriate levels of assurance to the public and the Government in relation to governance, financial and operational matters.
10. The Committee is asked to provide constructive scrutiny of the draft Statement and approve it for adoption and publication.
11. The draft Statement is attached as Appendix 1.

Conclusion/Summary

12. The Statement of Assurance 2018-19 will be the Authority's sixth annual Statement of Assurance. Much of the information in the Statement is already publicly available elsewhere, and links are provided in the document where appropriate as advised in the national guidance.
13. Subject to Committee approval, the finalised version of the Statement of Assurance 2018-19 will be published on the Service website.
