

DRAFT ANNUAL GOVERNANCE STATEMENT 2017/18

1. Scope of Responsibility

- 1.1 The Fire Authority (the Authority) has a statutory responsibility to ensure that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for. To do this the Authority must ensure that proper arrangements exist for the governance of its affairs. This includes maintaining a sound system of internal control and ensuring that robust arrangements for the management of risk are in place.

2. The Purpose of the Governance Framework

- 2.1 Governance is about how the Authority ensures that it is doing the right thing, in the right way for the right people in a timely, inclusive, open, honest and accountable manner. It comprises the systems and processes, cultures and values, by which the Authority is directed and controlled and through which it accounts to and engages with its communities.
- 2.2 The system of internal control is designed to manage risk to a reasonable level (rather than to eliminate all risk). The Authority maintains a sound system to protect against risks and mitigate their impact. The systems are regularly reviewed and updated.

3. Key Elements of the Governance Framework and Internal Control System

- 3.1 The Authority has adopted a Code of Corporate Governance, which sets out how the Authority promotes good governance. A copy of the code is available at hwfire.cmis.uk.com/hwfire/Documents/DocumentLibrary.aspx or may be obtained from Hereford & Worcester Fire and Rescue Service Headquarters, 2 Kings Court, Charles Hastings Way, Worcester, WR5 1JR.
- 3.2 The Authority had the following protocols and processes in place in 2017/18 which demonstrate the core principles as required by the CIPFA/SOLACE Delivering Good Governance in Local Government Framework 2016:

Core Principle A: Behaving with integrity, demonstrating strong commitment to ethical values and respecting the rule of law is demonstrated through:

- **Members' Code of Conduct and Registers of Interests** – a local Code of Conduct for all Members has been agreed by the Authority and a Register of Financial Interests for each Member has been reviewed and published on the Authority's website. All new Members have received induction training, including training on the Code of Conduct, Ethical Framework and Equality & Fairness.
- **Ethical Framework** - reflects the Authority's commitment to always operating fairly and ensuring dignity and respect in the workplace and in the communities we serve, in an environment which values individual contributions and work towards the elimination of unlawful discrimination.

- **Whistleblowing Policy** - in place for receiving and investigating complaints from staff and/or contractors and updated during 2017/18 to take into account Safeguarding.

- **Complaints Systems** - in place for receiving and investigating complaints from the public. A procedure is also in place for complaints relating to alleged breaches of the Code of Conduct by Members.
- **Anti-Fraud, Bribery and Corruption Policy** – the Authority has a zero tolerance approach to fraud, bribery and corruption, whether it is attempted from inside or outside the organisation.
- **Monitoring Officer** - provides advice on the scope of the powers and responsibilities of the Authority. The Monitoring Officer has a statutory duty to ensure lawfulness and fairness of decision making and also to receive allegations of breaches of the Code of Conduct by Authority Members. The Head of Legal Services acts as the Authority's Monitoring Officer and is governed by the professional standards set by the Solicitors' Regulation Authority.

Core Principle B: Ensuring openness and comprehensive stakeholder engagement demonstrated through:

- **Consultation Processes** – used effectively to consult staff and stakeholders in 2017/18 about proposed new crewing arrangements.

4. Review of Effectiveness

- 4.1 The Authority has prepared the Annual Governance Statement in accordance with the “Delivering Good Governance in Local Government Framework 2016” published by CIPFA/SOLACE. As part of the process the Audit & Standards Committee has considered the self-assessment review of its corporate governance arrangements against the CIPFA/SOLACE framework to ensure that the Authority’s governance arrangements are working correctly and are relevant to the current environment.
- 4.2 The Authority is satisfied that its financial management arrangements conform with the governance requirements of the CIPFA Statement of the Role of the Chief Financial Officer in Local Government. In addition, the key financial systems are continually reviewed by the Internal Auditor. There were no major weaknesses identified in the 2017/18 financial year.
- 4.3 Budget Monitoring reports have been presented to the Policy and Resources Committee throughout the financial year and have shown that the Authority’s finances are well controlled and that the resultant under spending is part of a planned response to known future budget constraints. The Authority is working on some longer term schemes to ensure a recurrent budget over time.
- 4.4 The Chief Financial Officer and the Monitoring Officer have provided assurances on their respective areas of statutory responsibility. All Members of the Senior Management Board have also provided assurances on their areas of responsibility.

5. Significant Governance Issues
